The Luling Watermelon Thump Board of Directors recently met and have had to make a very difficult decision to cancel the 67<sup>th</sup> Luling Watermelon Thump, due to the COVID-19 virus. We take everyone's safety and health seriously.

We understand the effect this has had on our economy for the local businesses, organizations, sponsors and individuals as well as the impact it will have on graduates receiving scholarships, we are deeply sorry. We feel this is in the best interest of our community.

If you have already invested or sponsored in the 67<sup>th</sup> Luling Watermelon Thump, we will be in contact with you or you may contact the Luling Watermelon Thump Office at 830-875-3214 ext. 3 (leave message), or by email: [admin@watermelonthump.com](mailto:admin@watermelonthump.com)

We sincerely appreciate everyone's generosity over the year's and continued support of the Watermelon Thump.

We will be back next year!

Sincerely,
